

Miró

S P A N I S H G R I L L E

In Spain, food and wine have remained inseparable for centuries. The vine was first cultivated there by the Romans and has flourished ever since. Wine is part of every lunch and dinner and is essential to understanding the Spanish way of life, a way of life in which people eat by whim, free of rules and schedules.

It is in that spirit, that Miró presents the outstanding wines of Spain.
